ANC KEMPTON PARK PCO PUBLIC ANNOUNCEMENT

Re: LAUNCH OF THE INTEGRATED GOVERNMENT FORUM- KEMPTON PARK/EDENVALE/TEMBISA WEST CONSTITUENCY AREA

Greetings in Community Development

The ANC Kempton Park Parliamentary Constituency Management Committee, mandated with ensuring that pillars of legislation such as constituency work, public participation, oversight and monitoring of governance will be establishing a formidable, cohesive, integrated structure that will co-ordinate and communicate government programmes with all organs of people's power, organs of civil society and business community in a synchronised manner, in order to create a better placed overall structured forum of government and community based organisations for effective delivery of services, better and enhanced communication systems and continuous engagement in improving individual and collective efforts in servicing communities within the constituency area

This is mainly informed by several engagements that the PCO has had since 05th December 2020 with various stakeholders within the
